

RESTORING HOPE; TRANSFORMING LIVES

July 2023

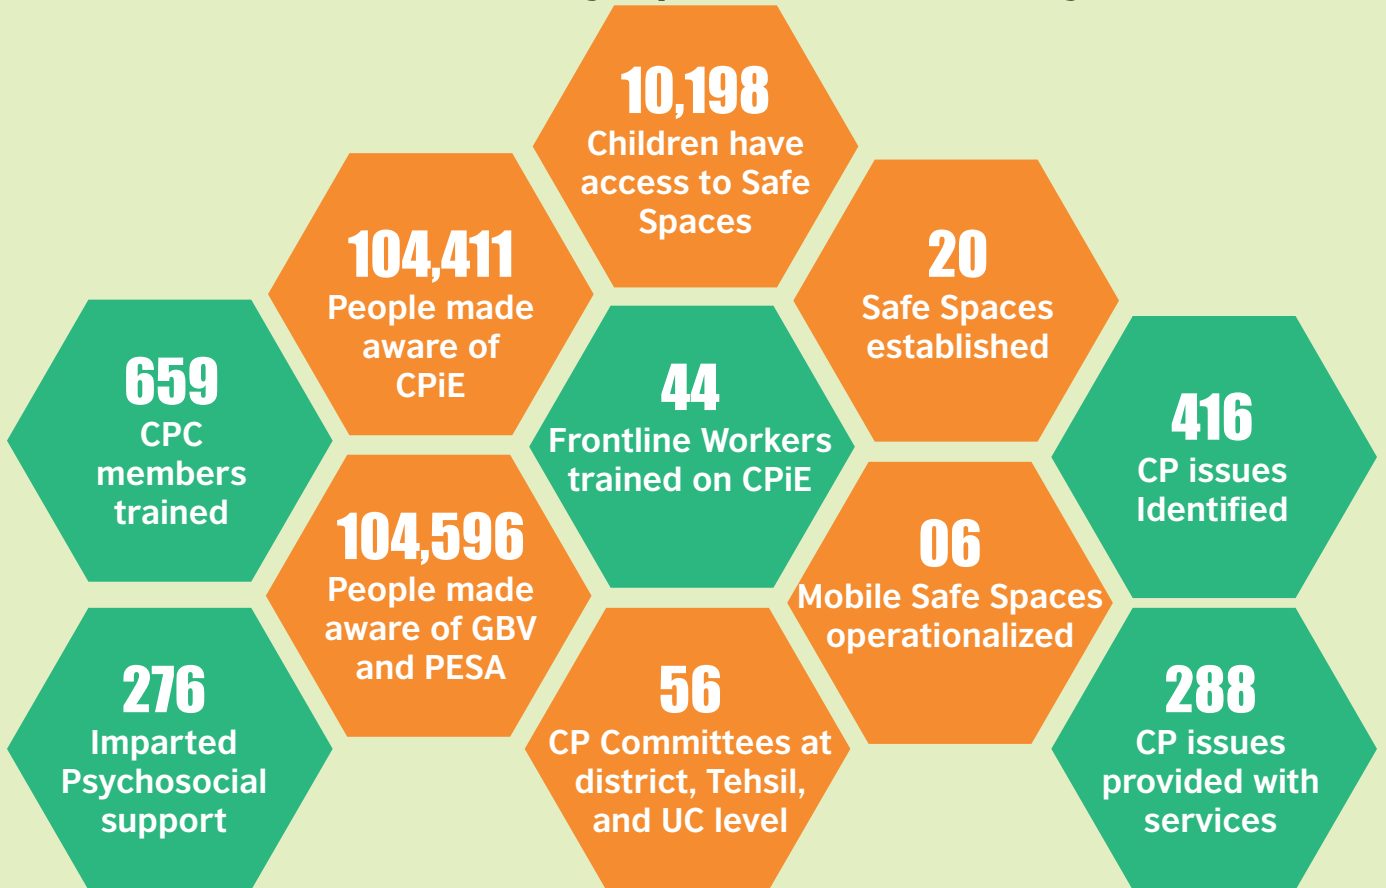

PROGRAM UPDATE As of July 31, 2023

Sanjh Preet Organization, a pioneer nonprofit, stands out for its swift response to the pressing requirements of impacted communities. Through a comprehensive approach, the organization offers formal and non-formal education, child protection, healthcare, WASH, and shelter services. With its transformative impact on countless lives, the organization has become the preferred partner for renowned entities like UNICEF, Solidar Suisse, JICA, Ehsas Trust, Muslim Charity and Penny Appeal across these vital sectors.

Child Protection Emergency Response in DG Khan and Rajanpur Districts of Punjab

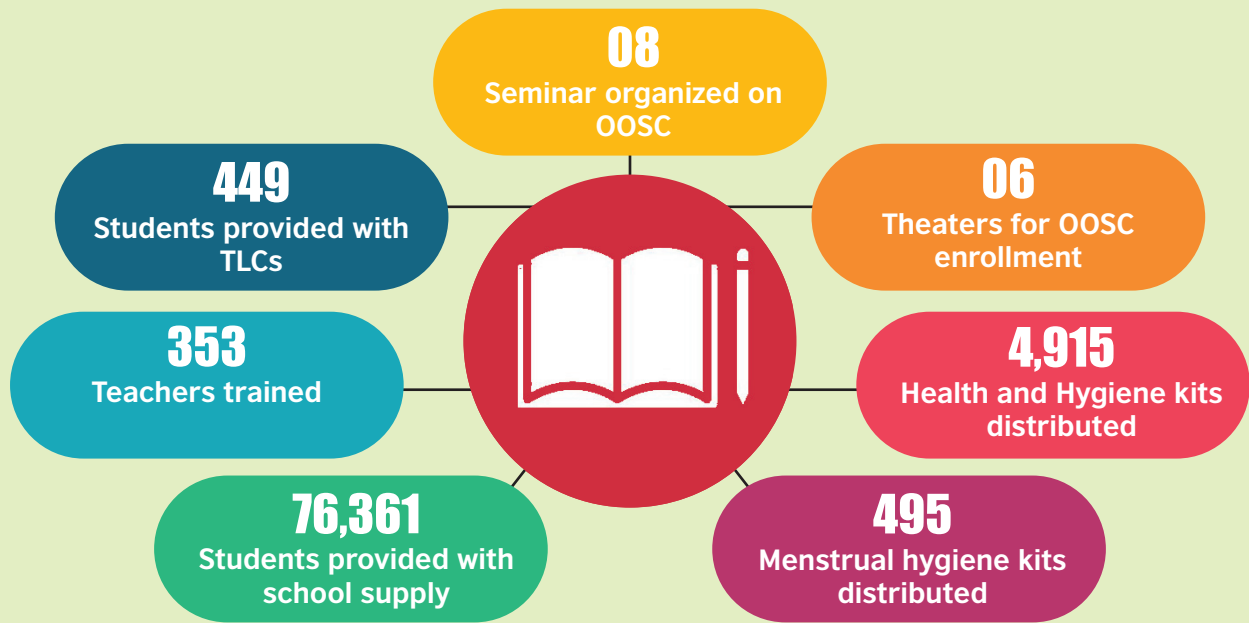

Strengthening of Learning and Protection of Children (SLPC)

Sanjh Preet Organization is implementing this project with the support of Solidar Suisse in four slum areas of Islamabad: Golra, Bari Imam, Pir Wadhai, and Khanna Pull with technical input of JICA, the project provides tailored education solutions and bridges learning gaps for children, especially girls, complementing existing non-formal education institutions besides protecting children from abuse and violence through linkages with govt and NGO support services.

- 3094 students (1457 girls, 1637 boys) of 14 schools and 16 non-formal centers were provided support in teaching and learning during reporting period.

- Reconstruction of 03 child friendly toilets and renovation of 04 rooms in 03 schools in slum area of Islamabad.
- Mr. Abid Gill Deputy Chief Advisor JICA AQAL Program inaugurated ALP center at Faiz Education System Alipur for 30 Orphan Children of Baseera Trust in Islamabad.

Education Response and Restoration of Flood Affected Schools in DG Khan and Rajanpur Districts of Punjab

ALP Middle Teach Project (JICA)

The project is being implemented in collaboration with the Japan International Cooperation Agency (JICA) with the purpose; to provide second chance of education to the children who left their school after completing primary education due to any reason. Under the project, Allama Iqbal Open University registered 65 students with its distance learning programme, and would also certify them after conducting examination.

Learners learn through self-learning kit and they meet

their teacher's minimum twice a week (face to face) to get further support, monitoring and assessment. Learning tablets have also been provided to a group of 5-6 learner as well as each teacher for learning and assessment.

After completing first semester, in which 65 students appeared and passed this assessment with flying colors. Now, second semester has been started
