TRANSFORMING LIVES | SHAPING NATION

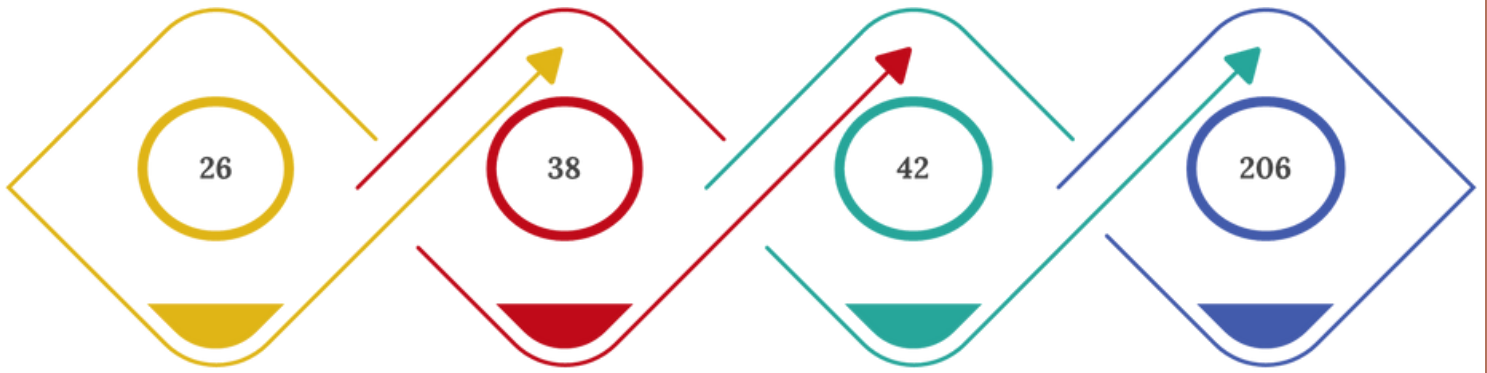

## PROGRAM UPDATE

AS OF DECEMBER 15, 2023

Empowering communities with a holistic touch, Sanjh Preet Organization stands out as a distinguished nonprofit, swiftly addressing the urgent needs of those in distress. The organization's comprehensive approach encompasses formal and informal education, child protection, healthcare, WASH, youth empowerment, livelihood, and shelter services. The impact on countless lives speaks volumes, earning us trust and recognition as a reliable partner for esteemed organizations like UNICEF, Solidar Suisse, JICA, Robotmea, Ehsas Trust, Muslim Charity, and Penny Appeal in these critical sectors. Together, we're making a difference that resonates far and wide.

## ALP MIDDLE TEACH PROJECT (JICA)

We are actively exploring financial support opportunities within the BISP Program and Prime Minister Youth Initiative for our ALP Middle Tech. Learners. In ongoing discussions with officials. We are pleased to share an update on the progress of Sanjh Preet Organization's ALP centers, which receive support from the Japan International Cooperation Agency's Accelerated Learning Program (JICA ALP). These centers have become symbols of educational excellence and skill development, positively impacting numerous lives.

The ALP centers play a crucial role in empowering students to unlock their full potential, and we take great pride in their accomplishments and the pivotal role played by JICA in nurturing their growth. Moving forward, our steadfast commitment to expanding the reach of ALP centers remains unwavering. We are dedicated to ensuring that a growing number of individuals have access to high-quality education and training opportunities, collectively working towards a brighter future.

At present, our organization operates two centers with a total enrollment of 65 students. Notably, we have incorporated soft skills as a subject in our curriculum, providing students with essential technical learning across various skill sets. Currently, the ALP centers are in the midst of conducting the monthly assessment for the second semester, further ensuring the continuous progress and development of our students.

## IMPROVING LIVELIHOODS OF YOUTH BY IMPARTING SUSTAINABLE COMPUTER SKILLS

Muslim Charity is supporting Sanjh Preet Organization to support the youth through computer skills training that can equip them with constructive knowledge and reliable skills. The project includes construction of Computer lab and establishment of IT skills training center at District Nankana Sahib. By implementing the project interventions, initiation of computer courses in the target GTTC will play a pivotal role in imparting basic computer skills to the youth as well as will open a new window of employment and livelihoods opportunities for the youth. Currently the lab is in construction phase.

## WASH/CONSTRUCTION

Sanjh Preet Organization with the support of PENNY APPEAL Pakistan working in district Khanewal and Layyah to address community welfare comprehensively. Their collaborative project encompasses the construction of a mosque, aiming to serve as a spiritual center. Alongside this, the installation of 300 hand pumps is underway to tackle the urgent need for clean water, embodying a holistic strategy towards community development.
