Volume-X

FEBRUARY - 2024

TRANSFORMING LIVES | SHAPING NATION

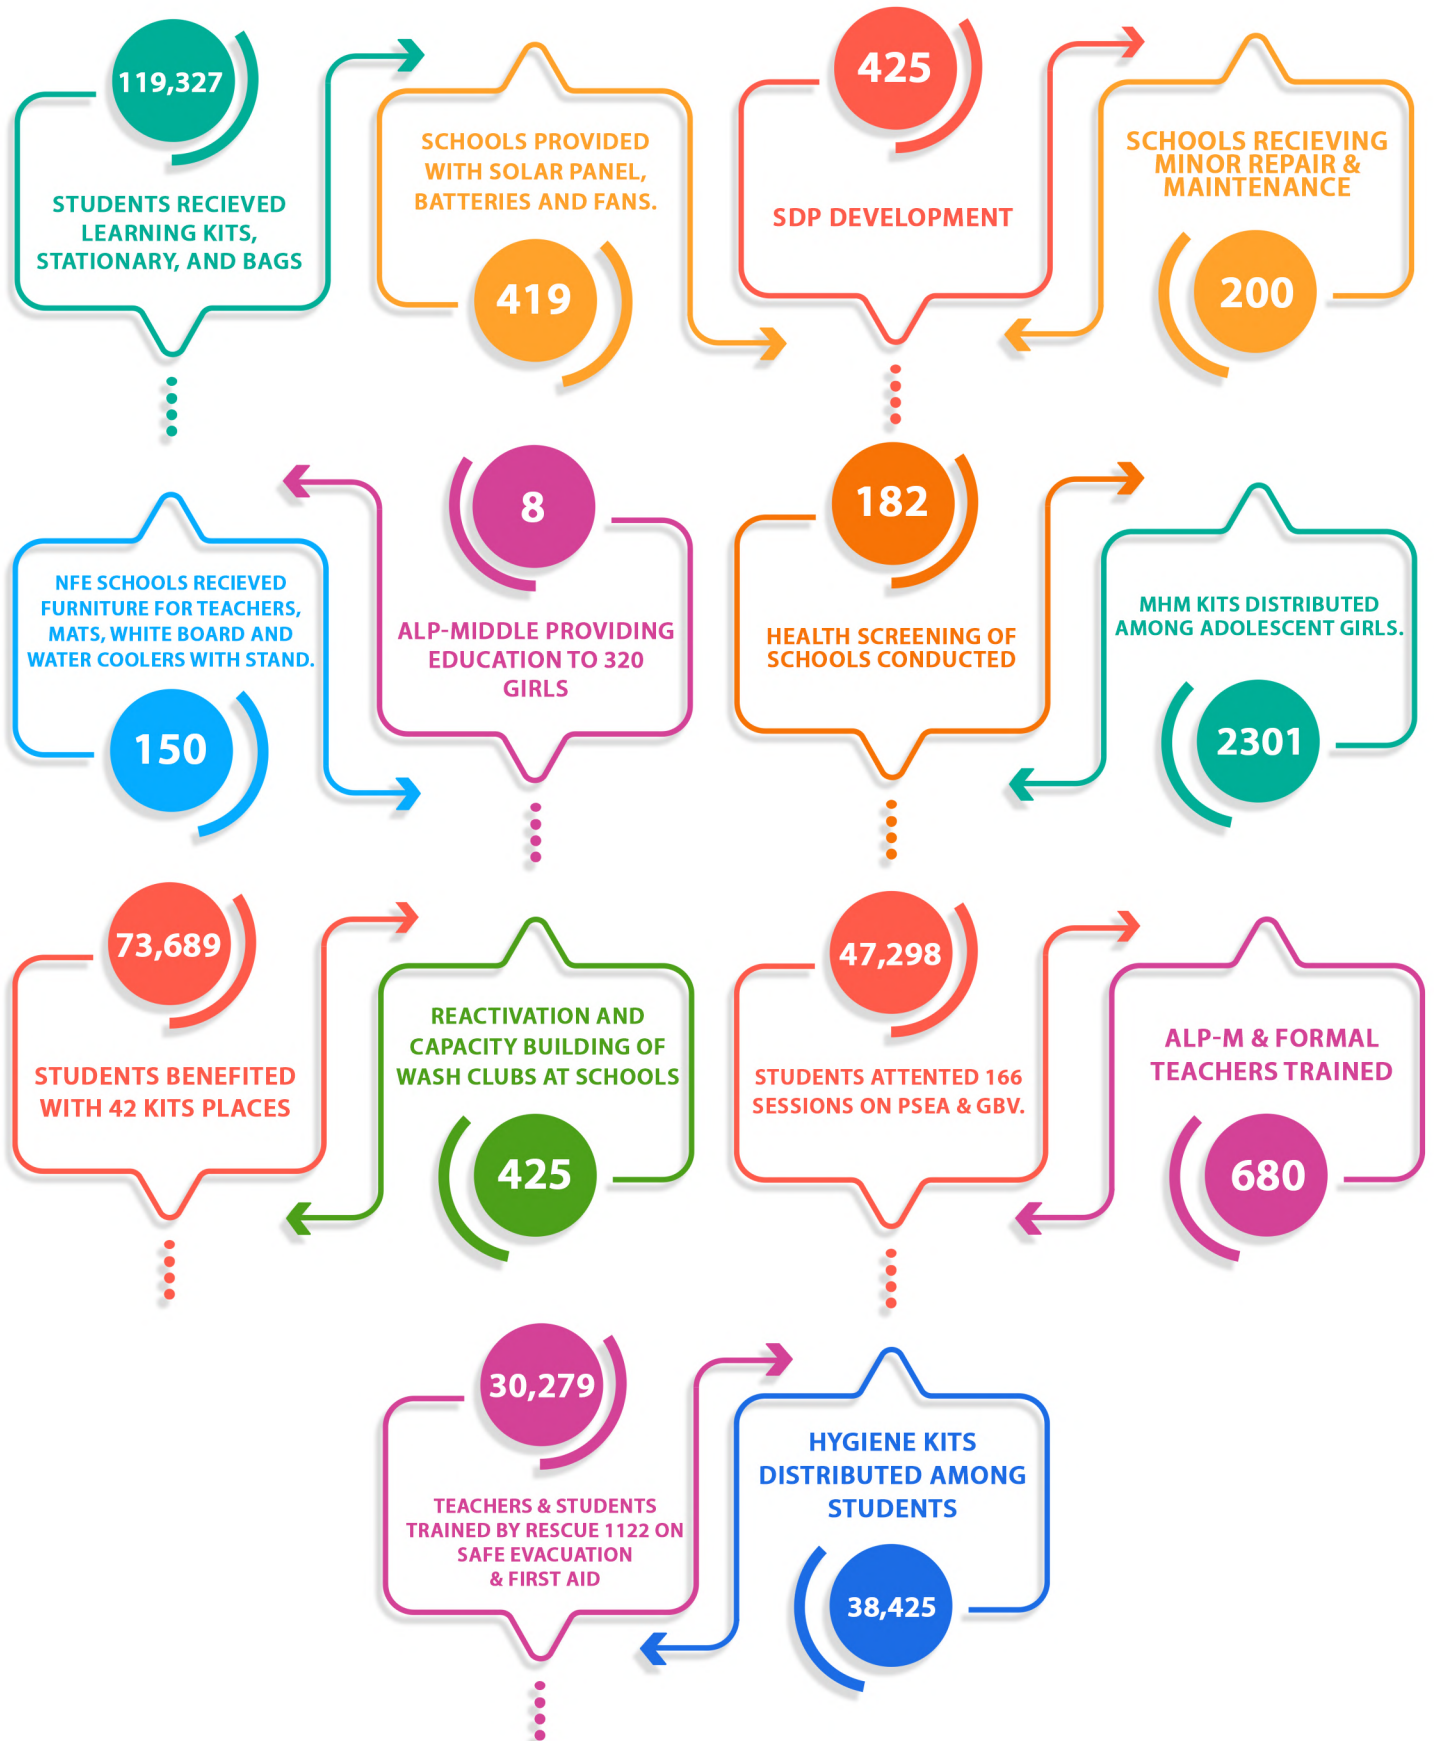

PROGRAM UPDATE

Sanjh Preet Organization is a standout nonprofit, committed to empowering communities with a comprehensive approach. We swiftly address urgent needs such as education, child protection, healthcare, clean water access, youth empowerment, livelihood support, and climate change initiatives. Our impact is evident in the countless lives we touch, earning trust and recognition from esteemed organizations like UNICEF, JICA, Robotmea, Ehsas Trust, Muslim Charity, Ministry of Federal Education and Professional Training and Penny Appeal. Together, we're making a meaningful difference that reaches far and wide.

EDUCATION RESPONSE AND RESTORATION OF FLOOD AFFECTED SCHOOLS IN DG KHAN AND RAJANPUR, DISTRICTS OF PUNJAB

CASE STUDY

FEBRUARY
2024

CHANGEMAKER

“ I still do not understand how come these girls in your ALP are so motivated with 100% attendance. I can see smiles on their faces and the lovely bonding with their class teacher. ”

This was the response of Mohammad Bilal Abbasi, Chief Executive Officer-Education, Rajanpur while visiting one of UNICEF & Sanjh Preet's ALP-Middle centers located in a remote village. Mr. Bilal is praise worthy person within the DEA-Rajanpur due to his innovative approaches towards the promotion of education through various interventions. Currently, he is ranked 6th among all 36 districts of Punjab for his effective and efficient educational planning and management.

KEY ACHIEVEMENTS:

- Installation of biometric machines in 20 Model Schools and all Higher Secondary schools for online attendance tracking.
- Notebook writing competition at each Markaz level to enhance writing skills.
- Career counseling sessions by alumni.
- Wall of fame in each school exhibiting distinguished alumini of schools.
- Star awards/cash prizes for teaching staff.
- Dedicated week for flower planting by studens in schools.
- Implementation of Model Classrooms.

ALP-M PROGRAM IS SHAPING THE LIVES

Fatima Bibi, an 18-year-old girl from a religious family of Khar Wala in Tehsil and District Dera Ghazi Khan, comes from a large joint family of 30 members, relying mainly on daily wages. Despite her father's role as an Imam in a nearby mosque and his support for girls' education, Fatima could only complete her primary education in 2018 due to the absence of a nearby girls' school. Thanks to the intervention of UNICEF & Sanjh Preet, her father welcomed the establishment of an Accelerated Learning Program (ALP) center in their village. Motivated by the center, Fatima resumed her studies from class six, expressing gratitude for the opportunity after years of domestic chores. With her hard work, she achieved 3rd position in the second term assessment tests and showed talent in drawing. Her aspirations now include completing her graduation through Allama Iqbal Open University and pursuing a teaching career to contribute to her community's progress, particularly in girls' education, inspired by the launch of the ALP in Khar Wala village.

MINOR REPAIR & MAINTENANCE FEBRUARY 2024

Minor repair and maintenance work is being carried-out in 200 flood-affected schools of DG Khan and Rajanpur. Sanjh Preet is working on this project in collaboration with the UNICEF and School Education Department, South Punjab. Our focus is on infrastructure development and providing missing facilities. We are committed to ensuring the quality of work. To ensure this, our Engineer and Monitoring Teams are present in the field.

OTHER PROJECTS FEBRUARY 2024

BUSINESS START-UP PROJECT

The Muslim Charity currently funded the unique and much needed project that focuses on extending support to the selected households in the target areas to make them economically empowered. The interventions of the project is helping the extremely vulnerable individuals to achieve sustainable livelihood for the betterment of their families. The low-cost income generating start-ups is also helping the selected beneficiaries in boosting their dignity by providing them small businesses like tea stalls, households , small poultry unit, small boutiques and small grocery stores.

ENROLMENT, RETENTION AND PROGRESSION OF OUT OF SCHOOL CHILDREN

The Ministry of Federal Education and Professional Training, Government of Pakistan, partnered with Sanjh Preet as the Education Service Provider for the enrolment and retention of Out of School Children (OOSC). Under this project Sanjh Preet has enroled 500 children into ALP centres, private schools, Madrasas and Public Schools in 6 UC's (UC-02, 09, 18, 19, 20, and 41) of ICT area.

WASH/CONSTRUCTION

Sanjh preet has provided clean drinking water to 500 households by installing 300 hand pumps in District Layyah with the generous support of Penny Appeal. In addition to that, one Mosque has been constructed in District Khanewal. With the support of Penny Appeal, a School building is also under construction that will benefit 320 students in District Jhang. While another mosque is under constructed in Khanewal.

IMPROVING LIVELIHOODS OF YOUTH BY IMPARTING SUSTAINABLE COMPUTER SKILLS

Muslim Charity has funded Sanjh Preet to empower the youth in District Nankana Sahib. Through this project, we have established a computer lab and an IT skills training center at Government Technical Training Centre More Khunda, district Nankana Sahib. This initiative aims to equip youth with vital computer skills, opening doors to better job prospects and improved livelihoods. The lab has been constructed and currently finishing work is taking place.

ALP MIDDLE TECH PROJECT

With the support of JICA, our ALP Middle Tech Centers are changing lives by helping students unlock their potential. We have two centers functional with 65 students in District Nankana Sahib. Currently, the students have completed semester 2 and have moved to semester 3. Beside the academic support, students are also being provided soft skills including art and craft. The centers will complete elementary cycle by July 2024. Students are passionate in continuing their education after completing this program. The project has cultivated a ray of hope among the students to learn, thrive and move forward.
